VIBE

ADVANTAGE

STANDARD DUAL/TRIPLE AIR CONDITIONERS

Standard 3 A/C: 1 - 18K BTU, 2 - 13.5K BTU. Superior cooling for hot climates. Major advantage for large family campers.

WASHER-DRYER PREP | MASTER CLOSET

Select floorplans include washer-dryer prep with dedicated space in the master closet area.

3 IN 1 RESIDENTIAL STYLE OVEN

Gas cooktop, full oven, and microwave/air fryer combo bring home cooking convenience on the road.

ON DEMAND TANKLESS WATER HEATER

Standard on all models, providing endless hot water while saving space and propane.

PRE-DELIVERY INSPECTION (PDI)

100% of Vibe units undergo a comprehensive inspection before shipping to ensure quality and readiness.

CUSTOM RV KING BED

Vibe has changed the way we do leisure by stocking every one of our travel trailers with a custom RV King Bed (78" x 66").

SQUARE EUROPEAN STYLE WINDOWS

The largest windows in class with a modern square design for maximum natural light, enhance campsite views and ventilation.

UNIVERSAL DOCKING STATION

Centralized water, cable, and electrical connections in one convenient location for easy setup.

3 WAY HEATING

Almost every Vibe will come standard with a 35k BTU Gas Furnace, 6k BTU Electric Fireplace, & an 18k BTU electric heat pump included in 18K Chill-Cube A/C.

EXTENDED SEASON'S CAMPING

Standard built with Block Foam insulation along with a fully enclosed underbelly, 12v heating pads underneath every tank, Insulated PEX waterlines, & a built in Winterization pump.

STANDARD 200W SOLAR PANEL w/ 30-AMP CONTROLLER

All Vibes will now come standard with a 200-Watt Solar Panel & 30-amp controller. Trickle charger able to keep 12v refer on.
